Work experience

Communication skills

Resume writing

Presentation skills

Job interviews

Dressing for work

Travel training

Working with a supervisor

MJP will listen, ask the right questions, respect your comments and, together, bring your skill set to action.

As an experienced boutique employment service, MJP is the right support, in the right place, at the right time of your career journey.

## Transition to work

From school or supported employment.

## Work assist

If you are working and acquire a disability or injury, MJP can support you to keep your job.

## Your Employment Coordinator can offer assistance in:

- > Career planning and assessment
- > Job search and placement
- > Information on disability employment issues
- > Plus much more...

## Your Support Officer will support you in the workplace by:

- > Following your progress once you have been placed in a job
- > Implementing job support plans
- > Visiting your work site
- > Providing on-the-job training and support.

## MJP currently support workers in:

- > Gardens and nurseries
- > Administration
- > Manufacturing, motor industry and trade work
- > Hospitality and retail roles
- > Commercial cleaning and service industry
- > Caring for children or elderly
- > Traineeships and much more!
